MEETING REGARDING PERSONAL HYGIENE

Today we discussed on the following points :

1. Food Habits
2. Hand wash
3. Using Toilets.

We have planned the meeting with students to make them aware about the way they eat food or the type of food they eat. We also discussed & aware the students about washing hands before & after the meals & after coming to home from outside. Student are also advised how to use the toilets & post activities of using toilets that proper water should be used.
